CASE NO. 1:19 cv 862

JUDGE Polster

Motion

I Plaintiff Jonathan Workman respectfully oppose Defendants motion for extension of time to respond to the Complaint, motion for summary judgment, motion for Preliminary injunction and amicus brief. The defendants Proposed time extension until September 30th causes an unnecessary delay in litigation and could cause potential irreparable harm to the extent that it prevents expedited remedy if I the Plaintiff claims are successful. Finally, defendants have not actually shown good cause for needing a six week extension of time. Therefore, this Court should deny defendants motion to extend their deadline to September 30th. I Plaintiff Workman consent to a extension of time until Aug, 23
